

# Quality Policy

- Provide experience, equipments and commitment to our customer
- Continuously improve our quality management system
- Working together with our clients and enhance our customer satisfaction
- Complied with ISO9001:2015 Requirements
- Customer need and applicable statutory and regulatory requirements are determined, understood and consistently met
- Apply risk-based thinking to determine the type and extent of controls appropriate to major external providers and internally provided processes, products and services.
- This Quality Policy is available to relevant interested parties, as appropriate.
